

Classes last a minimum of 90 minutes but can last longer depending on size of Masterclass

Cocktail Masterclass Pricing Structure

Below is a breakdown of what the guests can expect for each priced cocktail Masterclass.

£20 per person

“Straight up” package – Introduction to cocktails by one of our highly trained mixologist bartenders, detailing their knowledge and the history of cocktails whilst the bartender makes examples of classics and twists on classics for the group to enjoy

Then each guest will be invited individually or in pairs to come behind the bar to have a go at making their own cocktails with help and guidance from the bartender

£25 per person

“On the rocks” Package – Start the evening off with a Piccadilly Lounge signature sparkling cocktail followed by an introduction to cocktails by one of our highly trained mixologist bartenders, detailing their knowledge and the history of cocktails whilst the bartender makes examples of classics and twists on classics for the group to enjoy

Then each guest will be invited individually or in pairs to come behind the bar to have a go at making their own cocktails with help and guidance from the bartender

£30 per person

“With a twist” package - Start the evening off with a Piccadilly Lounge signature sparkling cocktail followed by an introduction to cocktails by one of our highly trained mixologist bartenders, detailing their knowledge and the history of cocktails whilst the bartender makes examples of classics and twists on classics for the group to enjoy

Then each guest will be invited individually or in pairs to come behind the bar to have a go at making their own cocktails with help and guidance from the bartender

Finishing off the night with a bespoke cocktail each, tailor-made for by your very own bartender
